

## **Dragan Radić**

Rodjen sam 1968 godine u Ljubinju, malom mjestu na jugoistoku Bosne i Hercegovine. Clan sam Planinarskog Kluba "SOKO" iz Ljubinja (Planinarski savez Republike Srpske).

Planinarenjem ( i fotografijom) se bavim jos od srednje skole. Od nekih planinarskih uspjeha mozda mogu istaci uspon na vrh Austrije, (Grossglockner), vrh Balkana ( Musala) u Bugarskoj i Maja Jezerce na albanskim Prokletijama.

Uglavnom planinarim po bosanskohercegovackim i crnogorskim planinama. U poslednje vrijeme vise vremena provodim na planinama radi fotografisanja nego zbog osvajanja vrhova.

Zaposlen sam kao tehnicar u Odelenju za informaciono – komunikacione tehnologije u Policijskoj Upravi u Trebinju.

## **Dragan Radić**

Born 1968 in Ljubinje, small town located in south-eastern part of Bosnia and Herzegovina. Member of Mountaineering Club "Soko" from Ljubinje (Mountaineering Union of Republika Srpska).

His occupation by mountaineering and photography dates since the high school. Main mountaineering achievements: Grossglockner (Austria), Musala (Bulgaria), Maja Jezerce (Albanian Prokletije).

Hiking mainly in the mountains of Bosnian & Herzegovina and Montenegro. Lately he has been spending more time for making photos of the mountains, rather than climbing the peaks.

Employed as a technician at Trebinje Police Administration, Information & Communication Technologies Department.
